### Other Notes

#### **General Notes**

- Basis of Presentation: The Debtors are filing this Report solely for the purposes of complying with the monthly operating requirements applicable in the Debtors' chapter 11 cases. Information contained in the financial statements has been derived from the Debtors' books and records and historical financial statements. The financial statements have not, however, been subject to procedures that would typically be applied to financial statements prepared in accordance with Generally Accepted Accounting Principles in the United States ("GAAP"), International Financial Reporting Standards ("IFRS"), or Singapore Financial Reporting Standards ("IFRS"), or SFRS. Therefore, combining the assets and liabilities set forth in the financial statements would result in amounts that are substantially different from financial information that would be prepared on a consolidated basis under GAAP, IFRS, or SFRS.
- The financial statements and their figures are presented on a preliminary, and unaudited, basis and may be subject to material changes as a result of varying matters, including, but not limited to, any potential audit adjustments, annual procedures and analysis, changes in estimates, netting, and events subsequent to the balance sheet date.
- The preparation of the financial statements required the Debtors to make commercially reasonable estimates and assumptions with respect to the reported amounts of certain assets and liabilities, the disclosure of certain contingent assets and liabilities, and the reported amounts of revenues and expenses during the applicable reporting periods. The Debtors reserve their rights to amend the reported amount of assets, liabilities, revenues, and expenses to reflect changes in those estimates or assumptions.
- Net Book Value: In certain instances, current market valuations for certain assets are neither maintained by, nor readily available to, the Debtors. Accordingly, unless otherwise indicated, the Debtors' financial statements reflect net book values. Market values may vary, sometimes materially, from net book values. The Debtors believe that it would be prohibitively expensive, unduly burdensome, and an inefficient use of estate assets for the Debtors to obtain the current market values of their property. Accordingly, the Debtors have indicated in the financial statements that the values of certain assets and liabilities are undetermined or unknown. For this reason, amounts ultimately realized will vary, potentially materially, from net book values.
- · Certain other assets, such as investments in subsidiaries, are listed at book values and may differ materially from fair market values.
- On February 10, 2023, the Debtors filed a non-binding Restructuring Term Sheet (the "Term Sheet") (ECF No. 80), which sets forth the general terms and conditions of certain related transactions") that were, at the time of filing, agreed to in principle by an ad hoc group of creditors of Genesis Global Capital, LLC, the Debtors, Gemini Trust Company, LLC ("Gemini") and Digital Currency Group Inc. ("DCG"). On August 29, 2023, the Debtors filed a Public Update on Plan Discussions (the "Public Update") (ECF No. 625), detailing the agreement in principle reached between the Debtors, DCG and the Committee (the "Agreement in Principle"). The terms and "Transactions" contemplated under the Term Sheet and the Agreement in Principle are not reflected in the financial statements included in this Report, with the exception of those terms and transactions that were agreed pursuant to that certain Partial Repayment Agreement entered into Genesis Global Capital, LLC, DCG and DCG International Investments Ltd., dated as of September 12, 2023.

# Notes:

Global note: Differences due to rounding may exist

- (1) This Balance Sheet does not reflect the non-binding agreement in principle embodied in the Term Sheet with respect to certain collateral that Gemini purportedly foreclosed upon on 11/16/22.
- (2) GGC's investment in digital currency includes \$1.9mm of digital currency which was not previously included due to technical limitations and errors at a digital asset custody platform, which has since been resolved
- (3) Amounts captured at GGC reflect DCG USD loan receivable activity of \$117M and approximately \$35M of DCGI related digital currency loan receivables
- (4) "USD loans receivable, net of allowance for loan losses" of \$1.4M at Genesis Global Holdco, LLC relate to loans made to Cash Cloud, Inc. (dba Coin Cloud), which filed a voluntary petition under Chapter 11 of the United States Bankruptcy Code on February 7, 2023. The amount is net of an allowance for loan losses of \$113.2M. The recovery value may be materially different than what is reported on this Balance Sheet.
- (5) The figure for Genesis Global Capital, LLC includes at par a \$1.1B promissory note due on June 30, 2032 from DCG to GGC. This amount has not been reviewed or evaluated for any potential impairment and the recovery value may be materially different than what is reported on this Balance Sheet herein.
- (6) Genesis Asia Pacific Pte. Ltd.'s figures also include certain intercompany receivables. The receivable from Digital Currency Group, Inc. includes approximately \$100 million in tokens pledged by Three Arrows Capital, Ltd. ("TAC") to secure GAP's loan pursuant to that certain Pledge Agreement dated January 27, 2022 by and between GAP and TAC, which tokens were assigned to DCG on July 14, 2022. This receivable is subject to dispute and therefore future recoveries suggested by this Balance Sheet are subject to change. (7) Genesis Global Capital, LtC's figures include approximately \$1.6M in pre-petition liabilities that are still under review
- (8) The court order approving the FTX settlement, comprising a \$175M claim against Genesis Global Capital (GGC) has been captured within the October 2023 financials at the "accounts payable and accrued expenses" line. See Order Approving Settlement Agreement Between the Genesis Entities and the FTX Entities [Docket No. 806]
- (9) Genesis Global Capital, LLC includes approximately \$1M of intercompany activity related to Genesis Global Trading, Inc. that occurred pre-petition but was not recognized until post-petition.
